Method of Instruction and Learning Objectives

In what way will you engage attendees? Include ways you will encourage active learning, (i.e. case study exercises, role-playing, small group discussion, facilitated brainstorming, or action plans.) Indicate the objectives for your presentation. This could be specific skills, ideas, procedures or policies that attendees will take away

Special Considerations

Let us know of any additional information you would like the planning team to know, such as limits on your availability for scheduling a session.

Please submit your form to carsnet@acoe.org on or before Friday, June 30, 2019.
